FORD GT

HIGH DEPTH ELEVATION TILES

products
unlike natural stones, are
light weight and have
temperature reducing property,
which makes it unique and
easy to install on height, and
are free from algae and fungus,
makes it virtually maintenance
free. Its appearance and color
fastness lasts almost as your
architectural project.

emerged through passion to make eco friendly engineered stone products without hurting the nature, almost all raw materials used are from recycled products, hence making the product eco friendly.

not been created just to satisfy the need for style and design, but also meet all performance tests and have shown excellent outdoor and indoor durability, making them suitable for any weather & climate conditions.
